INDEPENDENT AUDITOR'S REPORT

July 30, 2004

To the Township Board Township of Bear Lake Kalkaska County, Michigan

We have audited the accompanying general purpose financial statements of the Township of Bear Lake, Kalkaska County, Michigan, as of March 31, 2004, and for the year then ended, as listed in the table of contents. These general purpose financial statements are the responsibility of the Township of Bear Lake's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Township of Bear Lake, Kalkaska County, Michigan, as of March 31, 2004, and the results of its operations for the year then ended in conformity with accounting principles generally accepted in the United States.

Our audit was conducted for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The supplementary information listed in the table of contents is presented for purposes of additional analysis and is not a required part of the general purpose financial statements of the Township of Bear Lake, Kalkaska County, Michigan. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

NOTES TO FINANCIAL STATEMENTS March 31, 2004

Note 1 - Summary of Significant Accounting Policies

The accounting policies of the Township of Bear Lake, Kalkaska County, Michigan, conform to generally accepted accounting principles as applicable to governmental units.

Reporting Entity

In accordance with the provisions of the Governmental Accounting Standards Board's Statement No. 14 "The Financial Reporting Entity," the general purpose financial statements of the Township contain all the Township funds and account groups that are controlled by or dependent on the Township's executive or legislative branches.

The reporting entity is the Township of Bear Lake. The Township is governed by an elected Township Board. As required by generally accepted accounting principles, these financial statements present the Township as the primary government.

Basis of Presentation

The financial activities of the local unit are recorded in separate funds and account groups, categorized and described as follows:

Governmental Fund

General Fund

This fund is used to account for all financial transactions except those required to be accounted for in another fund. The fund includes the general operating expenditures of the local unit. Revenues are derived primarily from property taxes, state and federal distributions, grants, and other intergovernmental revenues.

Special Revenue Funds

These funds are used to account for specific governmental revenue requiring separate accounting because of legal or regulatory provisions or administrative action.

Fiduciary Fund

The Current Tax Collection Fund is used to account for assets held as an agent for others.

Account Group

NOTES TO FINANCIAL STATEMENTS March 31, 2004

Note 1 - Summary of Significant Accounting Policies (continued)

General Fixed Assets Account Group

This account group presents the fixed assets of the local unit utilized in its general operations.

Measurement Focus/Basis of Accounting

The accounting and financial reporting treatment applied to a fund is determined by its measurement focus. All governmental fund types are accounted for using a current financial resources measurement focus. With this measurement focus, only current assets and current liabilities generally are included on the balance sheet. Operating statements of these funds present revenues and other financing sources and, expenditures and other financial uses in net current assets.

The modified accrual basis of accounting is followed by the governmental fund types. Under the modified accrual basis of accounting, revenues are recorded when susceptible to accrual which is both measurable and available. Available means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. Expenditures, other than principal and interest on long-term debt, are recorded when the related fund liability is incurred, if measurable. Principal and interest on general long-term debt is recognized when due.

Revenues from local sources consist primarily of property taxes. Property taxes and revenues received from the State are recognized when susceptible to accrual. Miscellaneous revenues are recorded as revenue when received in cash because they are generally not measurable until actually received. Investment earnings are recorded as earned since they are measurable and available.

Property Taxes

Property taxes and other revenue that are both measurable and available for use to finance operations are recorded as revenue when earned.

Properties are assessed as of December 31 and the related property taxes become a lien on December 1 of the following year. These taxes are due on February 14, with the final collection date of February 28 before they are added to the county tax rolls. The Township 2003 tax roll millage rate was 2.2849 mills and the taxable value was \$46,156,316.00.

NOTES TO FINANCIAL STATEMENTS March 31, 2004

Note 1 - Summary of Significant Accounting Policies (continued)

Fixed Assets

Purchases of fixed assets for all funds are recorded as expenditures in their respective funds at the time of purchase. They are also recorded at cost in the General Fixed Assets Group of Accounts as required by generally accepted accounting principles.

Investments

Investments are stated at market.

Receivables

Receivables have been recognized for all significant amounts due to the Township. Allowances for uncollectible accounts have not been provided for in that collection is not considered doubtful and any uncollected amount would be immaterial.

Inventories

Inventories of supplies are considered to be immaterial and are not recorded.

Compensated Absences (Vacation and Sick Leave)

Township employees are not allowed to accumulate vacation and sick pay and therefore no accumulated amount is recorded in the financial statements.

Budgets and Budgetary Accounting

The following procedures are followed in establishing the budgetary data reflected in these general purpose financial statements.

- Prior to the beginning of the fiscal year, the proposed budget for each budgetary fund is submitted to the Township Board for consideration.
- The proposed budgets include expenditures as well as the methods of financing them.
- 3. Public hearings are held to obtain taxpayer comments.
- The budgets are adopted at the activity level by a majority vote of the Township Board.
- 5. The budgets are adopted on the modified accrual basis of accounting.

NOTES TO FINANCIAL STATEMENTS March 31, 2004

Note 1 - Summary of Significant Accounting Policies (continued)

Budgets and Budgetary Accounting (continued)

- The originally adopted budgets can be amended during the year only by a majority vote of the Township Board.
- 7. The adopted budgets are used as a management control device during the year for all budgetary funds.
- 8. Budget appropriations lapse at the end of each fiscal year.
- The budgeted amounts shown in these general purpose financial statements are the originally adopted budgets with all amendments that were approved by the Township Board during the fiscal year.

Encumbrances

Encumbrances involving the current recognition of purchase orders, contracts and other commitments for future expenditures are not recorded.

Postemployment Benefits

The Township provides no postemployment benefits to past employees.

Note 2 - Deposits and Investments

Michigan Compiled Laws, Section 129.91, authorizes the Township to deposit and invest in the accounts of federally insured banks, credit unions, and savings and loan associations; bonds, securities and other direct obligations of the United States, or any agency or instrumentality of the United States; United States government or federal agency obligation repurchase agreements; banker's acceptance of United States banks; commercial paper rated within the two highest classifications, which mature not more than 270 days after the date purchase; obligations of the State of Michigan or its political subdivisions which are rated as investment grade; and mutual funds composed of investment vehicles which are legal for direct investment by local units of government in Michigan. Financial institutions eligible for deposit of public funds must maintain an office in Michigan.

The Township Board has designated three banks for the deposit of Township funds. The investment policy adopted by the board in accordance with Public Act 196 of 1997 has authorized investment in all investments authorized by state law as listed above.

NOTES TO FINANCIAL STATEMENTS March 31, 2004

Note 2 - Deposits and Investments (continued)

The Township's deposits and investments are in accordance with statutory authority.

The Governmental Accounting Standards Board Statement No. 3, risk disclosures for the cash deposits are as follows:

	Carrying Amounts
Total Deposits	
A	<u>553 683 77</u>

Amounts in the bank balances are without considering deposits in transit or uncleared checks.

	Bank <u>Balances</u>
Insured (FDIC) Uninsured and Uncollateralized	245 728 83 310 882 68
Total Deposits	<u> 556 611 51</u>

The Township of Bear Lake did not have any investments as of March 31, 2004.

Note 3 – Changes in General Fixed Assets

A summary of changes in general fixed assets follows:

	Balance 4/1/03	Additions	Deletions	Balance 3/31/04
Land and buildings Equipment	281 866 49 353 959 68	2 725 00 2 664 80	-	284 591 49 356 624 48
Totals	<u>635 826 17</u>	5 389 08	-	641 215 97

NOTES TO FINANCIAL STATEMENTS March 31, 2004

Note 4 - Interfund Receivables and Payables

The amounts of interfund receivables and payables are as follows:

Interfund <u>Receivable</u>	<u>Fund</u>	Interfund Payable
637 15	Current Tax Collection	
		<u>637 15</u>
<u> 637 15</u>	Total	<u>637 15</u>
	Receivable	Receivable Fund 637 15 Current Tax Collection

Note 5 - Deferred Compensation Plan

The Township does not have a deferred compensation plan.

Note 6 - Pension Plan

The Township does not have a pension plan.

Note 7 - Risk Management

The Township is exposed to various risks of loss related to property loss, torts, errors, omissions, and employee injuries (workers' compensation). The Township has purchased commercial insurance for property loss, torts and workers' compensation claims. Settled claims relating to the commercial insurance have not exceeded the amount of insurance coverage in any of the past three fiscal years.

Note 8 - Building Permits

The Township of Bear Lake does not issue building permits. Building permits are issued by the County of Kalkaska.

Note 9 - Total Columns on Combined Statements--Overview

The total columns on the combined financial statements are captioned "Memorandum Only" to indicate that they are presented only to facilitate financial analysis. Data in these columns do not present financial position, results of operations, or changes in financial position in conformity with generally accepted accounting principles. Neither is such data comparable to a consolidation, because interfund eliminations have not been made in the aggregation of this data.

AUDIT COMMUNICATION AND AUDIT & FINANCE DIV.
REPORT OF COMMENTS AND RECOMMENDATIONS

July 30, 2004

To the Township Board Township of Bear Lake Kalkaska County, Michigan

We have audited the financial statements of the Township of Bear Lake, for the year ended March 31, 2004. As required by auditing standards generally accepted in the United States, the independent auditor is required to make several communications to the governing body having oversight responsibility for the audit. The purpose of this communication is to provide you with additional information regarding the scope and results of our audit that may assist you with your oversight responsibilities of the financial reporting process for which management is responsible.

AUDITOR'S RESPONSIBILITY UNDER AUDITING STANDARDS GENERALLY ACCEPTED IN THE UNITED STATES

We conducted our audit of the financial statements of the Township of Bear Lake in accordance with auditing standards generally accepted in the United States. The following paragraph explains our responsibilities under those standards.

Management has the responsibility for adopting sound accounting policies, for maintaining an adequate and effective system of accounts, for the safeguarding of assets, and for devising an internal control structure that will, among other things, help assure the proper recording of transactions. The transactions that should be reflected in the accounts and in the financial statements are matters within the direct knowledge and control of management. Our knowledge of such transactions is limited to that acquired through our audit. Accordingly, the fairness of representations made through the financial statements is an implicit and integral part of management's accounts and records. However, our responsibility for the financial statements is confined to the expression of an opinion on them. The financial statements remain the responsibility of management.

The concept of materiality is inherent in the work of an independent auditor. An auditor places greater emphasis on those items that have, on a relative basis, more importance to the financial statements and greater possibilities of material error than those items of lesser importance or those in which the possibility of material error is remote.

To the Township Board Township of Bear Lake Kalkaska County, Michigan

For this purpose, materiality has been defined as "the magnitude of an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would have been changed or influenced by the omission or misstatement."

An independent auditor's objective in an audit is to obtain sufficient competent evidential matter to provide a reasonable basis for forming an opinion on the financial statements. In doing so, the auditor must work within economic limits; the opinion, to be economically useful, must be formed within a reasonable length of time and at reasonable cost. That is why an auditor's work is based on selected tests rather than an attempt to verify all transactions. Since evidence is examined on a test basis only, an audit provides only reasonable assurance, rather than absolute assurance, that financial statements are free of material misstatement. Thus, there is a risk that audited financial statements may contain undiscovered material errors or fraud. The existence of that risk is implicit in the phrase in the audit report, "in our opinion."

In the audit process, we gain an understanding of the internal control structure of an entity for the purpose of assisting in determining the nature, timing, and extent of audit testing. Our understanding is obtained by inquiry of management, testing transactions, and observation and review of documents and records. The amount of work done is not sufficient to provide a basis for an opinion on the adequacy of the internal control structure.

SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies are described in Note 1 to the financial statements.

OTHER COMMUNICATIONS

Auditing standards call for us to inform you of other significant issues such as, but not limited to, 1) Accounting estimates that are particularly sensitive because of their significance to the financial statements or because of the possibility that future events affecting them may differ markedly from management's current judgments; 2) Significant audit adjustments that may not have been detected except through the auditing procedures we performed; 3) Disagreements with management regarding the scope of the audit or application of accounting principles; 4) Consultation with other accountants; 5) Major issues discussed with management prior to retention; and 6) Difficulties encountered in performing the audit.

We have no significant issues, regarding these matters, to report to you at this time. Audit adjustments were minimal, and are available to review.

To the Township Board Township of Bear Lake Kalkaska County, Michigan

GASB 34 IMPLEMENTATION

The Governmental Accounting Standards Board issued a new reporting model for governmental units which is to be implemented over the next few years. The implementation date of this pronouncement for the Township of Bear Lake will begin with the year ended March 31, 2004, and will need to be implemented fully by March 31, 2005. The daily operations and recording transactions should not change significantly, however, the Township will be required to maintain additional records for the year end adjustments to the final presentation format.

COMMENTS AND RECOMMENDATION REGARDING INTERNAL CONTROLS/ COMPLIANCE/ EFFICIENCY

Our procedures disclosed the following conditions that we would like to bring to your attention:

SEGREGATION OF DUTIES

A separation of duties between persons who authorize transactions and persons who have control over the related assets does not always exist.

The least desirable accounting system is one in which an employee is responsible for executing the transaction and then recording the transaction from its origin to its ultimate posting in the General Ledger. This increases the likelihood that intentional or unintentional errors will go undetected. In most cases, adequate segregation of duties substantially increases control over errors without duplication of effort.

We understand that due to the size of needed staff, a proper segregation of duties may be impractical and the "cost to benefit" relationship may not justify the addition of accounting staff to accomplish the desired segregation.

These conditions were considered in determining the nature, timing and extent of the audit tests to be applied in our audit of the Township's financial statements and this communication of these matters does not affect our report on the Township's financial statements, dated March 31, 2004.

<u>SUMMARY</u>

We welcome any questions you may have regarding the foregoing comments and we would be happy to discuss any of these or other questions that you might have at your convenience.

Sincerely,

CAMPBELL, KUSTERER & CO., P.C.
